Blackfoot Troop had a chance to enjoy a team building workout hosted by the Army R2 (Ready and Resilient) program. Soldiers worked together to accomplish various exercises and mental challenges to see which team would finish first.

We were pleased to have our NCO Induction Ceremony. Recently promoted Sergeants took their oaths as NCOs and were proudly welcomed into our NCO family. Congratulations to the new NCOs; we know you'll do great things!

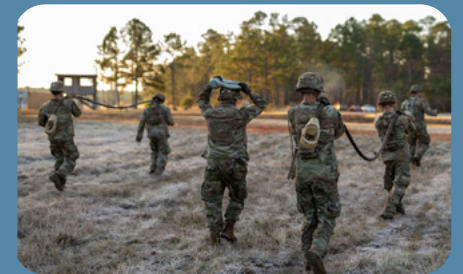

Congratulations to Diesel Troop for winning this year's Turkey Bowl! It was great seeing friends and families of the Squadron enjoying one of our favorite events of the year. We can't wait for the next one!

What a great Stable Call! Events included Apache Troop handing over the coveted Broken Spur to the SXO, promoting some of our 2LTs to 1LT, and receiving some historic 5-7 Cav statues from our guest of honor Ret. Col. Cliff Wheeler, President of the 5-7 Cav Association.

Dark Horse Troop is doing a fantastic job conducting services on their Abrams, preparing them for the upcoming training events next year. Some of the tasks include pulling out the engine, draining fluids, and cleaning the engine bay.

This years Spur Ride was a great success. Spur Candidates moved across various lanes--learning the skills and physical demands that come with being in the Cavalry--with the goal of winning their spurs at the end. Congrats to our new Spur Holders!
